Welcome

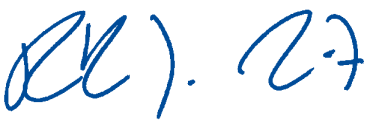

I warmly welcome you to the 7th Horasis Global China Business Meeting. It is with immense gratitude that I thank Rita Barberá Nolla, Mayoress of Valencia for having had the foresight and commitment to partner with us to make this Global China Business Meeting possible. My thanks go also to the China Federation of Industrial Economics, Global Asia, Turismo Valencia and to all our partners and supporters.

As a result of a close partnership, the annual Global China Business Meeting is regarded as one of the foremost annual gatherings of Chinese business leaders and their global counterparts. A select group of global leaders will gather to create a powerful platform for cooperation between China and the rest of the world.

Senior executives from around the world will discuss Chinese firms' growing impact on global business. In addition, the Global China Business Meeting will provide a special focus on China's interaction with other emerging economies. Participants will also examine the state of the global economy and China's role in shaping the post-crisis world.

It is my sincere hope that the Global China Business Meeting will further promote win-win economic relations, stimulate innovation and provide business opportunities for corporations from China and the world.

I wish you a thought-provoking and exceptional meeting

Dr. Frank-Jürgen Richter
Chairman
Horasis: The Global Visions Community
Switzerland

Welcome

Valencia is now facing a great opportunity to show itself again to the world as a European and Mediterranean, modern, enlightened city capable of hosting and organizing top events at a global level. The Global China Business Meeting due to take place in Valencia soon is, no doubt, a great showcase that will allow us to build bridges with the People's Republic of China, that magnificent Asian country which tirelessly shows outstanding strength and perseverance.

It is an honour for us to open the doors of our city to the delegates and all those attending the Global China Business Meeting and I would like to stress in writing my special thanks to Frank J. Richter, President of Horasis, for having chosen Valencia as the meeting point for hundreds of the most powerful international companies; to the China Federation of Industrial Economics for bringing closer their and our business fabric with their support to the Global China Business Meeting; and to Global Asia for being an inspiration for entrepreneurs who know no frontiers; also to the dozens of local, national and international bodies that have supported this seventh edition of the Global China Business Meeting having today Valencia as its home. Also sincere thanks to the co-presidents, co-organizers, strategic and media partners.

As Mayoress of Valencia I would like to express my warmest and affectionate welcome to the hundreds of personalities visiting our city on the occasion of the Global China Business Meeting, inviting them to get to know our city and enjoy 21st. Century Valencia, a city that knows how to combine history and avant-garde, respect for its past – refurbishing and regenerating its rich heritage – and an investment for iconic buildings projecting our image to the world.

Our rich variety of well assorted and attractive cultural highlights, our endless options for leisure and business, our geostrategic position and links with Asia and Latin America, add value to this city that today is also a benchmark reference in the sports world – after being the host of important global events – and is the European Sports Capital for 2011; it also excels in the areas of innovation, technology and research.

The Valencian people, open-minded and friendly, are happy to share our city, our projects and all opportunities offered by the city of Valencia with every one of our visitors and specially with the delegates and representatives of international businesses and institutions having special affection towards China, a country we would like to strengthen ties of friendship and cooperation with.

Rita Barberá Nolla
Mayoress of Valencia

Strategic Partners

Air France KLM Group exists since the two companies merged in 2004 to turn into Europe's leading Group in the Airline business. Air France KLM each operate their own networks within a Dual-Hub Strategy. The two hubs are Air France's home base, Paris Charles de Gaulle and KLM's home base, Amsterdam Airport Schiphol. Together with its partners, Air France and KLM offer passengers and cargo shippers more than 250 destinations, whether non stop connections or links to secondary destinations. Air France and KLM are members of SkyTeam, one of the global airline alliances. With 13 airlines, SkyTeam is the world's second-largest alliance in terms of market share.
